GOOD GOLFERS...BETTER PEOPLE!

The First Tee of San Juan County, NM is the quintessential youth development program on the planet. We teach character values and life skills through the game of golf in a curriculum that travels wherever life takes your child. At the PLAYer Level, participants learn our Nine Core Values and a technologically advanced golf learning program called Operation 36® to structure the program. It consists of Coaching, Playing, and Training programs and is designed to teach golfers to play the game from a hole out perspective. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress through a 6 level curriculum that is designed to set appropriate objectives and challenge each student towards shooting par or better (score of 36) for 9 holes.
