## GOOD GOLFERS...BETTER PEOPLE!

The First Tee of San Juan County, NM is the quintessential youth development program on the planet. We teach character values and life skills through the game of golf in a curriculum that travels wherever life takes your child. At the High School Development Level, participants learn our Values and a technologically advanced golf learning program called Operation 36® to help prepare for what is expected of them at the high school level. It consists of Coaching, Playing, and Training programs and is designed to teach golfers to play the game from a hole out perspective. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress through a 6 level curriculum that is designed to set appropriate objectives and challenge each student towards shooting par or better (score of 36) for 9 holes.

## ACADEMY CLASSES

### LEARN THE GAME

Participants will learn the game in a weekly group class where our coaches will progress students through our character value and golf curriculum.

## SUPERVISED PRACTICE

### TEST YOUR SKILLS

Golfers will accelerate skill development by training alongside a coach who sets up a structured and efficient practice session.

## LIFE SKILLS AND CHARACTER VALUES

### APPLY TO LIFE

Learn to apply values such as: perseverance, confidence, respect and sportsmanship...with life skills such as decision making and goal setting to make your child ready for the competitive world of high school golf and life.
